

Lobbyist's Cancellation Form for the Florida Legislature

Registered lobbyists must promptly cancel their registration for a principal upon termination of their representation for that principal. **Cancellation is effective upon receipt of this form by the Lobbyist Registration Office.**

Type or print clearly your name and the name of your principal to be canceled exactly as they are stated on your registration form and sign the cancellation form. The lobbyist's original signature is required. State only one principal per cancellation form.

VERY IMPORTANT: You are required to file an expenditure report for the principal you are canceling for the reporting period(s) during which you were registered. Additionally, if you have changed your address, you must notify the Lobbyist Registration Office immediately of your new address on the "Change in Lobbyist Information" form furnished by the office. Contact the office for the forms or print them from the Internet at www.leg.state.fl.us (go to Lobbyist Information).
